2. WARRANTY COVERAGE:

CSR Building Products Ltd, trading as CSR Bradford, warrants that Products meet the applicable requirements of AS/NZS AS4740 (where stated) and will remain free from manufacturing defects for the following periods, from the date of purchase:

- a period of 2 years for the body of the Product including the Electronic Commutating Motor
- a period of 1 year for the Power Pack and Smartbox for EcoFan® Products.

This warranty is applicable to Products purchased for use in Class 1 and 10a buildings for subfloor ventilation in non-cyclonic & non-BAL regions.

3. CONDITIONS OF WARRANTY:

Subject to the following terms and conditions set out below:

- A. The electronic components in this product must remain dry and some parts of this assembly must be sealed against water entry to protect the product and building from damage.
- B. Replacement outside air must be provided via evenly distributed openings such as subfloor vents positioned to facilitate crossflow ventilation and help the powered ventilator to work more effectively and efficiently.
- C. Electrical connection requires 240VAC GPO for operation.
- D. The power supply and speed controller are for dry indoor use only. Ensure that the power supply and speed controller are not left on damp surfaces – fasten to the internal structure with screws or cable ties as required.
- E. Only use one powered ventilator per speed controller and power supply as supplied by Bradford Ventilation.
- F. This product has an unguarded fan assembly and should not be used in locations readily accessible to people or animals – the fan is intended for use facing an unoccupied space only.
