

PRODUCT DATA SHEET

RONDO®

DONN® EXPOSED GRID CEILING SYSTEM

The Rondo DONN® Exposed Grid Ceiling System includes the popular 24mm face grid, also offering a more slimline 15mm face grid option to give designers an alternative grid appearance and installers a system they already know.

The popular DONN® Quick Release Clips (QRC) are located on the ends of Rondo DONN® Cross Tees to enable fast and easy installations without the need for mechanical tools or fixing.

Transitions between exposed and concealed grid ceilings are also made possible with the Rondo DONN® Grid Ceiling System being fully compatible with our Rondo XPRESS® Drywall Grid Ceiling System.

ACOUSTIC DESIGN / CUSTOM LENGTHS / SEISMIC DESIGN

BENEFITS

- Quick Release Clips – high tensile, allows for quick and easy installations
- Lay-on Cross Tees resist twist and gapping
- During installation, Cross Tees can be cantilevered and will not drop out due to their positive connections
- Positive lock between Main Tee and Cross Tee is achieved without the need for mechanical tools or fixing
- The DONN® 15mm Cross Tees include a patented centering device in the QRC Tab to ensure rebated and square edge Acoustic Panels are installed square
- The DONN® 24mm Cross Tees come in three heights (38mm, 32mm and 24mm), two gauges (standard and heavy duty) and in white as standard, with black also available on enquiry

SUITABLE FOR

- Exposed grid ceilings
- Direct-Fix or Fully Suspended internal applications.
- Non-Fire Rated systems
- Seismic application – Project specific seismic solutions can be prepared for the Rondo DONN® system.

MATERIAL SAFETY DATA INFORMATION

MATERIALS

Products manufactured by Rondo Building Services are produced from coated steel coil material which is classified as a non-hazardous material.

PRODUCTION PROCESSES

A water-based soluble lubricant is used to assist with the roll forming process. These soluble lubricants are not considered hazardous when used as recommended by the manufacturer.

HANDLING AND STORAGE

Products are supplied in pack and sub-pack quantities and should be handled in accordance with the recommendations contained in AS 1470 – Health and Safety at Work Principles and Practice.

Where mechanical lifting or moving equipment is required, trained, and licensed operators are to be used.

Metal products should be stored in an environmentally friendly area away from airborne contaminants such as acid and salt sprays.

SAFETY

It is our recommendation that PPE should be worn when handling metal products (AS 2161 –Occupational Protective Gloves) and that they should be checked regularly for damage.

People with sensitive skin conditions should seek medical advice before prolonged handling of metal products: hands should be washed before eating and for personal hygiene.

Safety glasses (AS/NZS 1336) should be worn when cutting metal sections.

SITE TRAINING

It is the responsibility of the contractor to ensure their employees are trained in onsite WHS procedures as these can vary from site to site.

COMBUSTIBILITY

For more information on the steel used by Rondo visit www.steel.com.au or [click here](#).

RONDO WARRANTY

Rondo's quality products are backed by our comprehensive warranty.

With minimal exclusions, our warranty provides optimal peace of mind.

For more information on our warranty [click here](#).

The remainder of this document does not impose any limitation on, or precondition to the exercise of rights in accordance with, the Consumer Guarantees.

RONDO BUILDING SERVICES PTY LTD

WARRANTY

THIS WARRANTY IS ISSUED:

TO: _____

PROJECT: _____

RONDO REF: _____

This warranty is provided by:
Rondo Building Services Pty Ltd ABN 69 000 289 207
57-87 Lockwood Road, Erskine Park, NSW 2759
Australia Tel: +61 2 9912 7300
Email: rondo@rondo.com.au

OTHER RIGHTS

The benefits given by this warranty are additional to other rights and remedies that you may have under laws relating to our products. The following statement applies where the product is supplied to a 'consumer' under the Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure (Consumer Guarantees).

LOGGING A WARRANTY CLAIM

To make a claim under the warranty, please contact the Rondo authorised distributor from whom you purchased the product. Otherwise, you may send details of your warranty claim directly to Rondo by post.

Warranty Claims, Rondo Building Services, P.O. Box 324, St Marys, NSW 1790 Australia

All claims under this warranty must be received by Rondo within the applicable warranty period as set out in the 'General Warranty Statement' below. Once your claim is received, a representative of Rondo will determine whether your warranty claim is valid and, if it is, will inform you how Rondo will honour it. Any costs you incur in making this warranty claim are your responsibility and not covered by this warranty.

After you lodge a warranty claim, Rondo may, before providing warranty service, require that you provide proof of purchase, respond to questions designed to assist in diagnosing potential faults and follow Rondo's process for obtaining warranty service. You must respond to all requests promptly and at your own expense.

GENERAL WARRANTY STATEMENT

Rondo Building Services Pty Ltd (Rondo) warrants all Rondo branded products against defects in materials under normal use for the period from the date of purchase specified below:

- * All Rondo products: ten (10) years, with the exception of:
- * Rondo 2450 coated products used in external applications in accordance with the 'Special Conditions for 2450 Product Use in External Applications' section below: Seven (7) years;
- * Rondo KEY-LOCK®, DUO™, DONN® and XPRESS® Suspended Ceiling Systems: fifteen (15) years.

If you submit a valid claim, Rondo will, at its option:

- (i) Repair the product;
- (ii) Replace the product with a product that is at least equivalent to the original product in function and quality; or
- (iii) Refund the purchase price.
